What to Bring

Golf Equipment

Golf Clubs - Students should bring their own set of golf clubs to camp. If you do not have golf clubs, please let us know at least one week prior to your arrival and we will arrange a set of clubs for your use while at camp. We strongly recommend that you label all of your clubs and other equipment with your name prior to arrival. As a note, if you do not currently have a sand wedge in your set we suggest you consider purchasing or borrowing one prior to camp.

Golf Bag - Students should plan to bring a lightweight carry bag to camp. We strongly discourage the use of large or heavy “cart” style bags. Students are asked not to bring their own pull carts due to limited bag storage space. Pull carts are available in the golf shop if the student wishes to rent a cart at the rate of \$2.50 per round. Please note that pull carts are not allowed at Vanderbilt Legends Club.

Golf Balls - Students should bring their own supply of golf balls for play on the course throughout the week. Golf balls are also available for sale in our golf shop. We will supply all range balls for student practice sessions and programs.

Golf Gloves – Students should plan to bring their own golf gloves for the week. We recommend that each student bring several gloves in case of rain, perspiration, etc.

Golf Shoes - Students should plan to bring a comfortable pair of golf shoes. It is recommended that you break in or try your shoes prior to camp week to avoid blisters. Metal spikes are not allowed at either Golf House Tennessee or Vanderbilt Legends Club. Students may play in sneakers if they prefer.

Rain Gear – We recommend that each student bring their own golf umbrella as most events will continue in light rain so long as there are no safety issues. Students may also want to bring a rain jacket or similar lightweight nylon jacket for occasional rain.

Clothing

Shirts – Collared golf shirts are required when playing Vanderbilt Legends Club, so students should bring enough golf shirts for each day of camp. T-shirts are fine when not playing and for time in the dorms.

Shorts – Hemmed shorts are appropriate. Cut-offs, gym shorts and swimming trunks are not allowed on the golf courses. Please note – no jeans/denim allowed at Vanderbilt Legends Club.

Caps / Hats - Students will receive a golf cap at check-in, but may also want to bring an extra hat for the week.

Tennis Shoe / Sneakers - Students should also bring a pair of comfortable tennis shoes or sneakers for times when not on the golf course.

Socks – Comfortable socks are a must as students will be walking quite a bit throughout the week.

Outerwear – Students may wish to bring a golf rain suit, jacket or other lightweight outerwear as many events may continue during light periods of rain.

Other Items

Bedding – Very Important - Each student must bring their own bedding supplies. Either a sleeping bag and pillow or twin sheets, blanket and pillow are fine. Each student will be assigned their own twin size bunk bed for the camp.

Toiletries – Students should bring their own toothbrush, toothpaste, soap, deodorant, shampoo and towels for the week. We also recommend each student have a toiletries bag or shaving kit to make carrying and storing their bathroom supplies more convenient.

Sunscreen – Lots and lots of sunscreen.

Water bottle – Plastic or metal water bottle for the course and practice.

Spending Money – All meals are included, but students may wish to purchase snacks and other golf items in the golf shop. We recommend \$40 - \$50 for the week in spending money. Students may check in their spending money at registration in the Academy Bank for security and request funds as needed throughout the week.

Cell Phones – Students may bring their cell phone and may use them when not in class or when playing the golf course. Cell phones must be silenced or turned off and lights out each evening.

Medication and Prescription Drugs – Students should bring any currently prescribed medication or prescription drugs for use during the camp, along with any appropriate directions and dosage requirements in writing for camp counselors. The Academy counselors will secure all medications and provide students with their medication each day as directed.

Medical Insurance Forms and Release of Liability.

All students must return the attached mandatory student medical information form and waiver of liability, **along with a current copy of a valid medical insurance card or proof of insurance.**

What NOT to Bring

No alcoholic beverages, tobacco products, illegal drugs, firecrackers, lighters, firearms or knives are not allowed onsite at any time. Do not bring any items of this type to camp. Parents of violators will be notified and the student will be sent home. Drug violations or any other criminal act will be subject to local, state and federal laws. No refunds will be made for violation of any the above policies.

Students should not bring their own pull carts to camp. We have pull carts available for students to rent in the golf shop for play at Golf House Tennessee. Please note that pull carts are not allowed at Vanderbilt Legends Club.

Transportation

Students and their parents are responsible for all transportation to and from Golf House Tennessee. If a licensed student drives him or herself to the Academy, his or her car will be assigned a parking space and will remain parked for the entire session. Keys will be kept secure by Golf House Tennessee staff and returned at the end of the week following graduation. Only under emergency conditions, and with the parent's explicit permission will any student be allowed to operate a motor vehicle during the session.
